How was the Verified™ experience?

“The implementation of Verified™ by Synergy Gateway Inc. at Durham College, has resulted in a efficient and secure process for collecting, verifying, and securely storing field placement documentation that meets FIPPA/PHIPPA legislative requirements. This reduces our risks with respect to data access, privacy and storage.

The Verified platform is available to students 24/7, clinical experts review student requirements and provide real-time data reporting to our academic administrators, enabling them to provide a high level of service to our students and field placement hosts”

- Barbara MacCheyne, MBA, CPA, CGA
Durham College of Applied Arts and Technology
VP ADMINISTRATION and CHIEF FINANCIAL OFFICER

“I made into clinicals this year thanks to Synergy and their help desk team. As a student it is really confusing to know what to do, but Verified made this process a lot easier. Thanks guys!”
